This information explains what may happen following an enquiry about the result of an examination.

If your examination centre submits an application for a clerical re-check or a review of the original marking for one of your examinations after your subject grade has been issued, there are **three** possible outcomes:

- Your original mark is confirmed as correct, and there is **no change** to your grade
- Your original mark is raised so that your final grade may be **higher** than the original grade you received
- Your original mark is lowered so that your final grade may be **lower** than the original grade you received

In order to proceed with the clerical re-check or review of marking, you **must** sign the form below. This tells the Head of Centre that you have understood what the outcome might be, and that you give your **consent** to the clerical re-check or review of marking being made.
