Applications are now open in the fields of Architecture, Construction, Digital Media, Engineering, Finance, Law and Sciences (and more!) from companies including Sir Robert McAlpine, Hart Biologicals, EY, FaulkenerBrown Architects, Bentley among others.

WORLD CREATIVITY AND INNOVATION DAY

To celebrate World Creativity and Innovation Day 2021, on **Wednesday 21st April 2021** (4pm-5pm), speakers from each of the five of Lancaster University's Institute of the Contemporary Arts (LICA) departments will discuss how their subject can contribute to the 'Build Back Better' campaign.

Join them on a creative tour as they discover how each subject can help reset the clock and build back better than before. You can register and find out more [here](#).

ENGINEERING TASTER SESSIONS

Throughout the months of April to June The University of Sheffield are offering Year 12 students the opportunity to take part in a range of online subject-specific Taster Sessions in the fields of Engineering, Social Sciences, Medicine, Dentistry & Health and Science. All the activities are completely free of charge and will provide a great insight into a subject or area of interest at university. To book your place(s) click [here](#).

MEDICINE EXPERIENCE WEEK

7 - 10 June 4-5:30pm

Hull York Medical School have just launched their Spring/Summer programme of Medicine workshops and seminars including their new take on their Medicine Experience Conference, which - this year - includes a whole week of after-school activities. Running from Monday 7th - Thursday 10th June from 4-5:30pm, each evening will focus on a different topic from getting in to medical school, to what it's like to be a student and focus on particular aspects of medicine and healthcare. Register for the Work Experience Week [here](#).

NHS VIRTUAL PROGRAMME

East Lancashire Hospitals NHS Trust are offering a virtual 1-day programme designed for Year 12 students applying to medical school. Places are limited and all applications that meet ELHT's criteria will be allocated on a first come, first served basis. The work experience is online and will be hosted via Microsoft Teams. Click [here](#) to apply.

SUBJECT TASTER SESSIONS

Want to find out what your subject is like at Uni? Check out the University of East Anglia's Online Taster Lectures to discover what it's like to study a subject at university. They're also a great way to demonstrate your interest in a subject, develop your knowledge and prepare for university. UEA are running sessions in a whole range of subjects and they're free, friendly and easy to join. Click [here](#) for the programme.
