Are you interested in science and technology? If so, you might want to check out these videos [here](#).

Remember, British Science Week is **5-14th March 2021**.

WHERE COULD STUDYING GEOGRAPHY TAKE YOU?

You could become a(n)...

- Cartographer
- Environmental Consultant
- Geographical Information Systems Officer
- Planning and Development Surveyor
- Town Planner
- International Aid/Development Worker
- Landscape Architect
- Nature Conservation Officer
- Police Officer
- Employee in the Tourism Industry

YEARS 10 AND 11

POLICING COURSE

This free policing course by The Open University is a great introduction to the Police Force by examining one of the most important skills: communication.

FORENSIC SCIENCE AND FINGERPRINTS

The Open University are offering a free, ten-hour course on Forensic Science and Fingerprints here. This course covers how science can make fingerprints easier to study, how they are used in court and some of the questions about the extent to which fingerprint identification is sound and scientific. You will learn the principles used in classifying and matching fingerprints (often called marks).

CAREERS SUPPORT

We are available for all of your careers needs. If you have a question or would like a careers appointment, please email Mrs Dickinson (m.dickinson@crgs.org.uk).
