Clitheroe Royal Grammar School

Admissions Information

March 2022

Dear Parents / Carers

Thank you for considering Clitheroe Royal Grammar School as the next stage in your son's or daughter's education. Clitheroe Royal Grammar School is based on firm values and traditions and provides not only outstanding academic opportunities, but also an environment where each student can develop essential life skills.

The school is a mixed, selective 11-18 Academy school rated as outstanding by Ofsted. Tuition is entirely free.

Entry to the school is by selection at 11+. Places will be offered to those children who, through the selection procedure, prove that they are suited to the type of education provided at Clitheroe Royal Grammar School. The approved admission number is 150 each year and pupils who are usually in their year 6 at primary school are eligible to enter. The school is required to comply with the Lancashire Co-ordinated Scheme for secondary school admissions to year 7. Under this scheme, only one offer of a school place will be made by Lancashire for admission to any secondary school including Clitheroe Royal Grammar School. Parents may express up to three preferences for admission to all maintained secondary schools. The priority in which parents express their preferences will be used to determine which one offer is made.

To gain entry to Clitheroe Royal Grammar School pupils must take the Entrance Examination. **This takes place on Saturday 24th September 2022.** Parents who wish their son/daughter to take the entrance examination must complete a Clitheroe Royal Grammar School application form which can be found on our website www.crgs.org.uk. **This form must be completed by 12.00 noon on Friday 16th September 2022. This will be the final date for acceptance of applications.**

Please note that all four Grammar Schools in Lancashire normally hold their entrance tests on the same day.

Clitheroe Royal Grammar School

Admissions Information

Following the test parents will be informed as to whether their son or daughter has reached the required standard for entry to the school.

In addition to completing the Clitheroe Royal Grammar School application form, parents **must** complete online the Local Authority Common Application Form by **31st October 2022**. Lancashire also have an online site at <https://www.lancashire.gov.uk/children-education-families/schools/apply-for-a-school-place/apply-for-a-secondary-school-place/>

Parents must list Clitheroe Royal Grammar School as one of their preferences if they want their son/daughter to be considered for a place. Both Lancashire County Council and Clitheroe Royal Grammar School operate an equal preference system. However, the preferences expressed by parents **will** determine which one offer is made.

It is important that parents understand that the system of allocation of school places by the Local Authority (LA) will mean that if, after applying the admissions criteria, a child appears on the eligible list of their *first preference* school, then this is the place that will be offered. A candidate with Clitheroe Royal Grammar School as a second or third preference, even if qualified by test score, cannot be offered a place if they are eligible for a school for which a higher preference has been indicated on the Common Application Form.

The **examination** will be held on **Saturday, 24th September, 2022** at the **Chatburn Road site** of the school and will consist of a Mathematics paper, an English paper and a Verbal Reasoning paper, all of which are age-weighted. The English and Mathematics tests will be of a similar standard to the work that your son / daughter is completing in primary school. Sample questions are available on our website.

On **Wednesday 6th July, 2022** there will be an **Open Evening** at the school starting at **5.30 p.m. until 7.30 p.m.** and prospective pupils and their parents are encouraged to come along to view the school and pupils' work, meet the pupils and staff and obtain further information.

Yours sincerely

Mr J M Keulemans
Headteacher

Clitheroe Royal Grammar School

Entrance Examination

Candidates will be required to take three tests which all consist of multiple choice questions.

Test 1 will be a Mathematics test.

Test 2 will be an English test.

Test 3 will be a Verbal Reasoning test. This test is intended to be as independent as possible of any particular school curriculum. The test indicates a candidate's ability to reason with words and numbers presented through the written medium.

All of the tests are set by GL Assessment and are copyright. Whilst we cannot provide past papers there are some sample questions available on our website at www.crgs.org.uk which provide an idea of the type of questions that are included in the examination. The Mathematics and English tests cover similar content to the primary curriculum, of a standard up to KS2 Level 5. GL Assessment do publish sample tests. These are available from major bookshops. All of the tests are age-weighted.

All pupils of the academic year 6 at primary school are entitled to take the tests but must apply to the school by the application closing date. It is up to parents to decide whether or not they feel it is appropriate for their son/daughter to be entered for the Clitheroe Royal Grammar School test. Last year, in total, 492 candidates applied for 150 places.

The tests will take place at Clitheroe Royal Grammar School, Chatburn Road on **Saturday morning, 24th September, 2022 at 8.30/9.00 a.m. (staggered start)**. The tests should be finished by 12.30 p.m. All materials required for the examination will be provided. There will be a break at which refreshments will be provided. If a student experiences any problems during the examinations we will take appropriate action to support them.

Parents whose son/daughter has special educational needs or where there are special circumstances are advised to contact the school, in writing, well in advance of the examination and at the latest by Friday 16th September 2022. This will ensure that any additional arrangements can be made.

Please also inform the school in writing, whether your son/daughter is eligible for Pupil Premium funding or has ever had Free School Meals by Friday 16th September 2022. This is part of the over-subscription criteria.

Parents will not be allowed into school on the morning of the examination due to restrictions on space. Where a candidate is too ill to take the examination, parents must telephone the school at 9.00 a.m. on the morning of the examination and, provided there is a note from a medical practitioner, alternative arrangements will be made. Alternative arrangements may also be made in the case of adverse weather conditions or accidents.

If you feel that there is any issue which might have affected your son/daughter's performance in the Entrance Examination other than a medical condition, please submit evidence to the Headteacher in writing within 2 working days of the examination.

Following the test parents will be informed as to whether their son/daughter has reached the required standard for entry to Clitheroe Royal Grammar School. The school is not required to make any comments on the results of the entrance examination. Please note that the number of candidates reaching the required standard may be greater than the number of places available. Further details will be given at the Open Evening regarding our over-subscription criteria.

Entrance Examination

Instructions relating to the optical mark read form

In each of the three tests, candidates will be asked to record their answers on a separate answer sheet. These are then optically marked by a machine. It is therefore very important that candidates know how to record their answers correctly. Staff on duty will give further guidance on how to complete the answer sheets on the morning of the examination.

The following is an example of a question and how to record the answer.

Q3) Which of the following is not equal to a quarter?

A. $4/16$ B. $2/8$ C. $3/12$ D. $7/16$ E. $8/32$

1. A B C D E

2. A B C D E

3. A B C ~~D~~ E

4. A B C D E

5. A B C D E

So your answer to Question 3 is D. This would then be marked as correct.

Clitheroe Royal Grammar School

Admissions Policy – September 2023

The school is a mixed, selective 11-18 grammar school providing a free education. As an academy school, the governors are responsible for setting the school's admission arrangements. In common with state schools throughout the country, Clitheroe Royal Grammar School will be part of a co-ordinated local admission scheme. Details are provided below.

Traditionally the school has drawn its pupils not only from the catchment area (see Notes 2 and 3), but from other places within travelling distance.

I Admission of Students to Year 7 (September 2023 entry)

i) Admissions Number

The number of intended admissions to year 7 is 150.

ii) The Tests

For eligible candidates (see Note 1) the entrance examination will consist of standardised tests. Further details about the nature of these tests is available within the admissions handbook.

The tests will be conducted at the school in the autumn term. Arrangements to take the tests will be announced in the local press and on the school website each year.

A candidate may only sit the entrance examination once.

Parents / carers who wish their son / daughter to take the entrance examination, must complete the Clitheroe Royal Grammar School application form. This is available on the school website and must be completed online.

iii) Admission Criteria and Over-subscription

Once the tests have been marked parents / carers will be informed whether their child has reached the required standard. Pupils will need to show that they have the ability to benefit from the education provision of the school by reaching the required standard, although this will not guarantee a place if the number of pupils achieving this score exceeds the number of places available.

The school will not distinguish between candidates on grounds of gender, race, nationality, national origin, ethnic origin, disability, faith or denominational background.

Clitheroe Royal Grammar School

Admissions Policy – September 2023

Candidates reaching the required standard who have a current Education, Health and Care Plan (EHCP) naming Clitheroe Royal Grammar School on the EHCP will be offered a place.

Clitheroe Royal Grammar School has a planned admission number for each year of 150. If the number of applicants reaching the required standard is less than 150, then all of these applicants will be deemed 'eligible'.

If the number reaching the required standard is greater than 150 and the school is therefore over-subscribed, then the school will rank the applicants who have reached the required standard according to the following admissions priority criteria:

- 1) Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted (see Appendix 1, Note 7)
- 2) Candidates whose permanent residence is within the catchment area and who qualify for Pupil Premium* funding at the time of registering to take the 11+ test.
- 3) Candidates whose permanent residence is within the catchment area
- 4) Candidates whose permanent residence is outside the catchment area and who qualify for Pupil Premium* funding at the time of registering to take the 11+ test.
- 5) Candidates whose permanent residence is outside the catchment area

*If a candidate qualifies for Pupil Premium funding or has ever qualified for Free School Meals, parents should inform the school in writing, prior to the 11+ test.

Candidates within over-subscription categories 2 - 5 will be ranked according to ability as demonstrated in the testing process.

In the event of equal scores within over-subscription categories 2 - 5, the final determining factor will be the proximity of the child to the school (see Note 4).

In the case of over-subscription, a confidential waiting list will be drawn up. This waiting list will be maintained for the academic year of admission. Position on the waiting list will be on the basis of ability. Where more than one candidate is at the same position on the list, priority will be given in the same order as over-subscription categories 2 - 5 and then to the individual nearest to the school (see Note 4).

Until the end of the autumn term in year 7, if a candidate withdraws, his/her place will be offered to the highest placed applicant on the waiting list.

Clitheroe Royal Grammar School

Admissions Policy – September 2023

iv) Further Information

For those candidates who have some inconsistency in scores and / or are borderline for admission, further information may be requested from the primary school subject to parental consent.

v) Co-ordinated Admissions Policy

The school is required to comply with the Lancashire Co-ordinated Scheme for secondary school admissions to year 7 (see Note 5). Under this scheme, only one offer of a school place will be made by Lancashire for admission to any secondary school including Clitheroe Royal Grammar School. Parents may express up to three preferences for admission to all maintained secondary schools. The priority in which parents express their preferences will be used to determine which one offer is made.

It is important that parents understand that the system of allocation of school places by the Local Authority (LA) will mean that if, after applying the admissions criteria, a child appears on the eligible list of their *first preference* school, then this is the place that will be offered. A candidate with Clitheroe Royal Grammar School as a second or third preference, even if they have reached the required standard, cannot be offered a place if they are eligible for a school for which a higher preference has been indicated on the LA Common Application Form.

(vi) Assessment of Candidates moving into the Area

Parents or guardians of candidates for year 7 who move from another area of the country into the vicinity of the school (whether inside the catchment area or not) after the closing date for the submission of the Clitheroe Royal Grammar School application form, may apply to the school for them to be assessed.

During the period from the time of the examination to the end of the first term in year 7, the assessment will follow a similar pattern to that used for the entrance examination. If the candidate reaches a level comparable to students who have already been admitted and no places are available, the candidate's name will be placed on a confidential waiting list, ranked according to our oversubscription criteria. Please also see note 6.

Clitheroe Royal Grammar School

Admissions Policy – September 2023

Summary of the Application Process for the Admission of Students to Year 7

1. The application form to take the Clitheroe Royal Grammar School examination must be completed online and submitted by the school's closing date. This application form is available on the school website.
2. The examination is held in the autumn term.
3. Parents / carers will be notified as to whether their child has reached the required standard sufficiently before the closing date for the completion of the Local Authority (LA) Common Application Form online. We advise that parents / carers wait for this notification from Clitheroe Royal Grammar School before completing the LA Common Application Form online.
4. Parents / carers complete the LA Common Application Form online. Parents who wish their child to be considered for a place at Clitheroe Royal Grammar School must list the school as one of their three preferences.
5. The LA will post notification of allocations as per their schedule. At the same time in the spring term Clitheroe Royal Grammar School will also post offers of places to successful candidates.

Parents will be required to confirm to their LA within 14 days, if they do not wish to accept a place offered.

6. Parents / carers whose child has been offered a place at Clitheroe Royal Grammar School will be asked to confirm their acceptance of the place.

II In-Year Admissions

An in-year admission describes the transfer of a pupil into CRGS from another secondary school. This is normally into years 8 – 10, or for year 7 from January onwards (the school is required to maintain its year 7 waiting list, as a minimum, up until the end of December).

CRGS will only consider applications to the age-appropriate year group for the student.

Parents who wish to transfer their child from another school into CRGS should complete the on-line, in-year application form, found on the school's website. Upon receipt of an application form your child will be placed on the in-year applications list until a place in the relevant year group becomes available. Until a place is available, the school will be unable to progress the matter any further as admitting an additional child would prejudice the provision of efficient education or efficient use of resources for students currently attending the school.

Parents have the right to appeal against this decision.

All appeals must be made in writing.

Clitheroe Royal Grammar School

Admissions Policy – September 2023

Where a place is available, an age-appropriate entrance examination will be prepared and pupils on the in-year applications list will be invited to sit it.

Parents who have already made an application for admission into year 7 (at the start of the academic year) may not make a second application within the next twelve months.

The children of parents who have made an in-year application may sit more than one in-year entrance examination within one year, subject to places being available.

Pupils must reach the appropriate standard in order to be considered for a place. Where more pupils pass the examination than there are places, the applications will be ranked and prioritised as follows:

- 1) Candidates reaching the required standard who have a current Education, Health and Care Plan (EHCP) naming Clitheroe Royal Grammar School on the EHCP will be offered a place.
- 2) Looked after children or a child who was previously looked after, but immediately after being looked after became subject to an adoption, child arrangement order, or special guardianship order or those children who appear to the school to have been in state care outside of England and ceased to be in state care as a result of being adopted.(see Appendix 1, Note 7)
- 3) Candidates whose permanent residence is within the catchment area and who qualify for Pupil Premium funding at the time of registering to take the test.
- 4) Candidates whose permanent residence is within the catchment area
- 5) Candidates whose permanent residence is outside the catchment area and who qualify for Pupil Premium funding at the time of registering to take the test.
- 6) Candidates whose permanent residence is outside the catchment area

The successful candidate(s) will normally be expected to take up the place within the following two weeks. If they are unable to do so, the place(s) will be offered to the next candidate(s) on the list who has/have reached the required standard.

All applicants have a right to appeal this process. Formal appeals documentation will be sent to parents, upon request. All communications relating to appeals should be in writing.

III Admission of Students to the Sixth Form

Applications for admission to the school's Sixth Form are welcome from all Year 11 applicants. Details of requirements are published each year in the Sixth Form Guide which is available on the school website. These include a general requirement and specific subject requirements. The criteria for admission are high enough GCSE grades. There is an expectation that applicants will have a sound track record at their present school. In the event of over-subscription, the following admissions priority criteria will be used to allocate places:

- 1) Looked after children and previously looked after children
- 2) GCSE performance
- 3) Proximity to the school (see Note 4)

Clitheroe Royal Grammar School

Admissions Policy – September 2023

The school has a target figure of 250 students from outside the school to join existing Clitheroe Royal Grammar School students who wish to continue into the Sixth Form each year.

All applicants will also be invited to discuss choices of subjects with senior staff.

Students must submit their online application form by the published closing date in order to be eligible for entry.

Students who move into the area after the published closing date and who wish to apply to join the sixth form at Clitheroe Royal Grammar School are advised to contact the school at the earliest opportunity so that their application can be considered if space allows.

Any student refused entry has a right of appeal.

IV Appeals Procedure

A parent or carer may appeal against the decision of the Admissions Committee for non-admission.

The appeal process is entirely separate from the allocation of places under the admission arrangements.

Places given on appeal are in addition to those already offered.

Parents of candidates who have not been allocated a place can obtain an appeal form from school after formal notification of places by the local authority. These must be completed and returned to the school within 15 school days of notification by the local authority.

The Appeals Panel is constituted in accordance with the School Standards and Framework Act 1998 and all members are independent of the school and of the Local Authority. Its decisions will be binding on the Admission Authority and on the parents.

Consideration by the Appeals Panel will be in two distinct stages:

Clitheroe Royal Grammar School

Admissions Policy – September 2023

i) The Factual Stage, when the Panel decides whether the admission arrangements have been properly applied and, separately, whether prejudice would be caused to the efficient education of children in the school by reason of increased numbers. If prejudice is proved the Panel must move to:

ii) The Balancing Stage, when the Panel exercises its discretion, balancing between the degree of prejudice to efficient education, which would result from admitting the child, and the strength of the parent or guardian's case before arriving at a decision that is binding on both the Admission Authority and the parent.

Further details of the appeal arrangements are obtainable from the Clerk to the Appeals Panel, Clitheroe Royal Grammar School, York Street, Clitheroe, Lancashire, BB7 2DJ.

Appendix 1

Explanatory Notes

- Note 1** Eligible candidates are those whose 11th birthdays fall between 1 September and 31 August inclusive, in the twelve months immediately preceding entry the following September. Children whose 10th birthdays fall between 1st September and the last day of February of their National Curriculum year 5 and who are of outstanding ability for their age, may also be considered for a place. This will only be with the unreserved and strong recommendation of the child's Primary School Headteacher. Other applicants outside the normal age group will be considered carefully on the basis of the circumstances of each case.
- Note 2** To establish residential status in the school's catchment area requires that the family permanently reside within the designated area shown in Appendix 2 before the closing date for applications. Permanent residency is defined as owner occupancy or long-term letting contract of a residential property where a current driving licence is held and the appropriate council tax is paid by the occupier (evidence may be required eg copy of driving licence, council tax bill and mortgage agreement or letting contract). In the case of a recent change of address, additional evidence will be required. Families whose first home is outside the catchment area and/or who are only living in short-term rented property or temporarily with friends or relatives in the area will be deemed to live outside the catchment area.
- Where a pupil lives with one parent for part of the week and the rest of the week with the second parent, only one address can be used for application. This will normally be (a) where the child lives for most of the school week and the address from which the child travels to/from school and (b) the address to which Child Benefit is paid.
- Note 3** If it is subsequently discovered that an application contains a falsely claimed or dated address in the catchment area and/or any other false information, then any offer of a place will be withdrawn.
- Note 4** Nearest will be defined in terms of straight line distance between the candidate's home front door and the front entrance of the school; the Chatburn Road site in the case of applicants to years 7 to 11 and the York Street site in the case of applicants to the Sixth Form. In the event of a tied distance measurement between address points, a random draw will determine which address(es) receive the offer(s).
- Note 5** Details of Lancashire's scheme may be found at www.lancashire.gov.uk under 'School Admissions' in the A-Z search.
- Note 6** For parents who are relocating to the area and who are unable to arrange for their child to take the entrance examination in the normal way, it is necessary to complete both of the following:
- 1) The online CRGS application form. This must be completed in order to arrange for the necessary assessment to take place.
 - 2) The Local Authority's Common Application process stating 3 preferences. This must be returned to the Area Pupil Access Team of your Local Authority. The Local Authority will consider the 3 preferences equally, in liaison with other admissions authorities. The offer of a place will be made by the Local Authority.
- Note 7** Looked after children includes children who were previously looked after but immediately after being looked after became subject to an adoption, child arrangement order, or special

guardianship order or those children who appear [to the school] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in Section 22(1) of the Children Act 1989).
