**INTERNATIONAL WOMEN
In ENGINEERING DAY**
23 June 2022

International Women in Engineering Day is taking place on the 23rd June.

This year they'll be celebrating the amazing work that women engineers around the world are doing to support lives and livelihoods every day.

The best, brightest and bravest women in engineering will be being profiled to inspire and encourage you!

Did you know that Volunteers' Week is taking place between the 1st-7th June?

Volunteering is a great way for you to give back to your local community whilst gaining valuable employability skills.

There are all kinds of volunteering roles out there, contributing to many different causes.

Volunteers' Week is an ideal time to get chatting to organisations you're interested in and find out more about their volunteering opportunities.

Target Careers have produced an excellent webpage about the benefits of volunteering as a teenager, along with lots of inspiration as to the types of volunteering that you could get involved in. [Click here to read it.](#)
