SIXTH FORM - APRIL 2022

RUSSELL GROUP

Meet the Russell Group

A Virtual Experience in association
with UK University Search

Wednesday 27 April
Afternoon Session: 12:00 - 14:30
Evening Session: 16:30 - 20:00

Meet the Russell Group is designed to support Year 13 & 12 students and their parents/carers. It is a completely **free of charge virtual event**.

If you are in Year 13, it will help you to explore and compare universities that you may have received offers from in order to decide upon your Firm and Insurance choices.

If you are in Year 12 it will help you start to make initial decisions about where you may like to study in 2023, and the courses you may be interested in.

The event is being held on **Wednesday 27th April**.

FLYING START DEGREE APPRENTICESHIP

PwC are recruiting for Tech degree apprentices to work in their Manchester office.

One week in every six will be spent at Ada College studying towards a BSc degree apprenticeship in Digital and Technology Solutions. You will be able to choose to specialise as either a: Data Analyst, Software Engineer or Cyber Security specialist.

The remaining time will be spent working work on cutting-edge digital and technology projects to apply your apprenticeship learning to real business scenarios.

[Click here to find out more.](#)

SPARTAN TEST

Have you completed the SPARTAN TEST on SACU?

This is a great free quiz that we recommend all students complete.

It only takes 5 minutes to complete and then generates 3 'clouds' for you to save giving you ideas as to future career areas and potential job roles/degrees.

[Click here to take the quiz.](#)

UCL Engineering are running a series of **taster lectures** exploring hot topics in **STEM** and showcasing the world-changing **research** that they have conducted.

Lectures include topics such as: How the **Psychology of Identity Shapes Diversity**, **What are babies thinking**, **Water Resources in Green Hydrogen Production** and **2-D materials for next generation electronics**.
