You must enter all your qualifications from secondary education onwards – whether you have the result (even any that were ungraded, have completed resits or you're still awaiting exams and results).

You must list your whole secondary education from Year 7 onwards.

If you attended one school from years 7 to 11 you need to put the start date as September 2019 to June 2024.

If you attended the Main School, you can either add CRGS as from September 2019 to June 2024 for your secondary education or you can add it to combine your time in the Sixth Form with your time at Main School and put the dates as September 2019 to June 2026.

If you attended multiple schools, you must list every school you attended between Years 7 to Year 11.

If you did not gain any qualifications at a school leave the qualification section blank.

First you need to add details of where you've studied, or are studying, then add qualifications.

Start by clicking **Add place of education**.

English language certificates

English language certificates are often needed for international students as an entry requirement for the course.

Not everyone will need an English language certificate. If you're unsure whether you need one, check the entry requirements for the course on the search tool.

If you have a language certificate that is not listed here, ie Pearson, Cambridge you can add these as a qualification in the section above.

Some courses may require you to disclose your criminal conviction status.

UCAS will only show this question if the course choice requires it.

Only tick this box if you have any convictions; otherwise leave it blank.

Criminal **convictions**

Applied Health & Social Care (top-up) at University of Anywhere This course has entry requirements which ask you to disclose further information regarding any spent or unspent convictions or any past criminal activities, and may also require a criminal records check.

Help with criminal convictions

Further checks may also be required under the Disclosure and Barring Service. If you have spent or unspent convictions from a court outside Great Britain, additional checks may be carried out depending on the records available in respect of the applicable country.

A criminal records check may show all spent and unspent criminal convictions including (but not limited to) cautions, reprimands, final warnings, bind over orders or similar and, to the extent relevant to this course, may also show details of any minor offences, fixed penalty notices, penalty notices for disorder, ASBOs or VOOs.

Please tick if you have any spent or unspent criminal convictions or other punishments that would show up on a criminal records check.

If you tick the box you will not be automatically excluded from the application process. It is recommended that you read our page on criminal convictions and if these issues are in any way relevant to you, you should obtain further advice from appropriate bodies. UCAS will not be able to assist you in this respect. You will be asked this guestion each time you add a course that requires a criminal conviction declaration.
